

## Margie E. Jericho

April 12, 1933 - September 17, 2021

Margie E. Jericho, age 88 of Mentor, passed away on September 17th, 2021 at Rae-Ann Geneva with her family by her side. Even though Margie spent most of her life in Ohio, she was a true Bardstown, Kentucky girl at heart. She took great pride in her garden and flowers and her yard was always picture-perfect and beautiful. She was an amazing cook and she passed on all of her many talents to her children and grandchildren. She enjoyed sewing and made many of her own clothes, not only for herself but for others (even for dolls). There wasn't anything that she didn't sew a flower on! Margie is survived by her children; Bonnie, Connie (Patrick), Timmie, Ronnie (Roblyn), 7 grandchildren, 8 great-grandchildren, and 1 great-great grandchild, her cats (who were treated like humans) Rocky, Tony Ann, (Pooh) along with many grandkitties. She also leaves behind many friends, especially her very best friend Ginnie. She was preceded in death by her husband Ron, granddaughter Gina, grandson Brian, and great granddaughter Brittany. The family would like to give a special thank you to the staff of Rae Ann for the wonderful care they provided during her stay. Especially "Bumblebee" who had a very special place in Margie's heart. Thank you to the Hospice of the Western Reserve for their loving care. A Celebration of Life will be planned in the future and details will be shared by family as they are finalized. Lake Erie Cremation & Funeral Services assisted the family with arrangements.

“ Margie was and will always be my Great Aunt who is loved by so many. She had a way of leaving an eternal place in your heart. Though we were so many miles apart we had wonderful memories that will last a life time. We will always love you Aunt Margie.

“ To my best and dearest friend ever, from the first day we met, I thought of you like family and it felt like I had known you all my life.

All my friends and family who met you thought the world of you too. The memories we made and good times we had will forever be in my heart as I think of you.

I wanted to be there for you to say a final goodbye, but the circumstances prevented that.

RIP my best buddy ever.. You will forever be in my heart.

May you always walk in sunshine  
and God's love around you flow  
for the happiness you gave us  
No one will ever know

It broke my heart to lose you  
but you did not go alone  
For part of me went with you  
On the day God called you home.  
In Loving Memory of my best friend ever. Ginny
