“ Oh my dear Aunt Toni, how I miss and love you. You were a constant in this family. Ever since grandma passed, you tried to keep our family together. Your smile, your love to me and for others will be missed more than I can say. I still can't believe you're gone so soon. But I know where you are! I know you're at home with Jesus and you can't dance again and hug your mom and dad and my dad along with many others. I know how much you loved your most precious gifts, your sons. So Aunt Toni, until we meet again, Rest In Peace or whatever you'd like! No more pain, no more suffering. I love you
